

Long Island Home Builders Care

Long Island Home Builders Care Development Corp.

Building New Homes for Returning Veterans

WANTED

Military Veterans

Having served in Iraq or Afghanistan

Letters of interest are now being accepted for new homes being built by Long Island Home Builders Care Development Corp. These new homes will be sold at an incredibly low price to veterans. Write a letter that includes military service history, present living status, employment status and why this opportunity will change your life!

Selection of recipient will be made by an independent panel led by
Rocky Point VFW.
