Why Sponsor??? Did you know...

Suffolk County; has the highest number of veterans in New York? While our government grant affords EOC of Suffolk, Inc. the opportunity to assist Veterans into permanent housing the program is limited. In response to the varied needs of our clients EOC of Suffolk, Inc. and the Women Marines Association have made it their mission to have an impact on the homeless female veteran community. The proceeds of this event will assist female veterans in having access to the unique resources they need in order to sustain living, working and being on Long Island.
